NSERC USRA: Application Instructions

1. Students interested in applying must find a UTIAS Professor who is willing to supervise them. A list of UTIAS faculty and their areas of research is available on the UTIAS website: [Current Faculty & Areas of Research]

   You may only submit one NSERC application to UTIAS.

2. Complete the NSERC application form online:
   [NSERC Online System](Form 202 Part I)
   - Students who have previously applied for an NSERC USRA will only have to update Part I of Form 202.

3. Attach a copy of your e-transcript or most recent Academic History Report to the application form (Part I).
   1. An e-copy of your transcript or the most recent academic history report from [ACORN](peter.grant@utoronto.ca) will be required to be submitted to the Aerospace Option Chair, Peter Grant. You will also need to link the transcript or the most recent academic history report from ACORN to your Form 202, Part I.
   2. Remember, the UofT Transcript office can take 5-7 business days to process your request, thus order early. *Please only order e-transcripts if you are considering submitting a transcript.

4. Form 202, Part II must be completed by the supervisor. After you have completed Part I online, a reference number will be issued to you. Please supply that reference number to your supervisor.

5. Send a pdf copy of the application to the Aerospace Option Chair, Peter Grant ([peter.grant@utoronto.ca](mailto:peter.grant@utoronto.ca)) by February 28, 2021
